Mr. Daniel Jones

STAT

Dear Mr. Jones:

Allen W. Dulles, Director of Central Intelligence, asked me to inform you in reply to your inquiry of 8 February 1960 that regrettably, CIA does not furnish outside of the Government information such as you requested.

The recent book, *THE SECRET WORLD*, by Beria bin and Gibney may prove of interest to you.

Thank you for your inquiry.

Sincerely,

Stanley J. Rogan
Assistant to the Director
